

# TED KEENER AEA

TedKeener@gmail.com  
267.614.4063

*As a classically trained dancer who has worked in both the concert and theater realms, Ted loves bringing the joy of movement to dancers of all levels. Pulling inspiration from his study with legendary teachers, as well as his own personal experience living and performing all over the country, he aims to give students the tools they need for success in our contemporary dance landscape - whether it be for recreational enjoyment, or life as a professional.*
